

# Wildcard

# **You're excellent in Intercultural Communication!**

Intercultural communication involves recognizing and respecting cultural differences, adapting communication styles accordingly, and bridging cultural gaps to promote meaningful exchange and collaboration.

# Wildcard

# **You're excellent in Community Engagement!**

These skills are essential for building relationships, fostering trust, and promoting active participation within a community, such as communication, empathy, relationship building, cultural competency, collaboration, and conflict resolution.

# Wildcard

## **You're excellent in Conflict Resolution!**

Conflict resolution entails the ability to identify, address, and mitigate conflicts that arise in various settings, whether interpersonal, organizational, or societal. It involves understanding the root causes of conflicts, empathizing with the perspectives of all parties involved, and finding mutually acceptable solutions through negotiation and compromise.

# Wildcard

## **You're excellent in Holistic Approach and Systems Thinking!**

Both the holistic approach and systems thinking emphasize understanding systems in their entirety, recognizing the interconnectedness of their components, and considering the broader context in problem-solving and decision-making processes.

# Wildcard

# **You're excellent in Mediation!**

Mediation, as a specific form of conflict resolution, involves facilitating communication between conflicting parties and guiding them towards reaching a mutually beneficial resolution.

# Wildcard

## **You're excellent in Advocacy!**

Advocacy skills encompass a range of competencies and techniques aimed at effectively advocating for change, promoting social justice, and advancing the interests of individuals and communities, such as strategic planning, networking and relationship building, negotiation, empowerment and mobilization, adaptability, and ethical considerations.

# Wildcard

# **You're excellent in Interpersonal Communication!**

Interpersonal communication involves expressing oneself clearly, listening actively, and building rapport with others, fostering trust and mutual respect.

# Wildcard

# **You're excellent in critical thinking!**

Critical thinking is the ability to objectively analyse and evaluate information, arguments, and beliefs. It involves questioning assumptions, examining evidence, and considering alternative perspectives before forming conclusions.

# Wildcard

## **You're excellent in civic participation!**

Constructive participation involves willingness to participate in democratic decision-making at all levels and civic activities. It includes support for social and cultural diversity, gender equality and social cohesion, sustainable lifestyles, promotion of culture of peace and non-violence, a readiness to respect the privacy of others, and to take responsibility for the environment.

# Wildcard

## **You have excellent social competences!**

These include communication, teamwork, adaptability, problem-solving, time management, emotional intelligence, and leadership. They play a crucial role in driving success in both personal and professional endeavours and enable individuals to collaborate effectively, communicate persuasively, navigate change with resilience, and foster positive relationships.

# Wildcard

## **You're excellent in cultural awareness!**

This involves having an understanding of and respect for how ideas and meaning are creatively expressed and communicated in different cultures and through a range of arts and other cultural forms.

It involves being engaged in understanding, developing and expressing one's own ideas and sense of place or role in society in a variety of ways and contexts.

# Wildcard

## **You're excellent in media literacy!**

Media literacy encompasses the ability to access, analyse, evaluate, and create media in various forms, including news, social media, and entertainment. It involves understanding how media messages are constructed, recognizing biases and perspectives, and deciphering the intentions behind the content.

# Wildcard

## **You have excellent social competences!**

These include communication, teamwork, adaptability, problem-solving, time management, emotional intelligence, and leadership. They play a crucial role in driving success in both personal and professional endeavours and enable individuals to collaborate effectively, communicate persuasively, navigate change with resilience, and foster positive relationships.
